OUR MISSION

Build our work on Honesty.

It is our mission with an unwavering pride that we are always aware of as we work to realize our vision; not just being honest, but “Honesty itself is our work and our service.”

OUR VISION

To contribute to building a world where all people can utilize advanced technology and realize the dreams they have envisioned.

We aspire to build a world where every person in the world can achieve their ambitions through the use of advanced technology. Our vision is to create such a world and help those who want to achieve it.

OUR COMMITMENT

As Google Cloud Partners, we are committed to providing our clients with cutting-edge technologies and exceptional customer service. Our team of experts is trained and certified to help you leverage the full potential of the Google Cloud Platform, from cloud storage and networking to machine learning and artificial intelligence.

SPECIALIZATION

This achievement reflects our continued commitment to delivering exceptional cloud solutions and deep technical expertise on the Google Cloud Platform (GCP). More importantly, it enables us to offer you enhanced support through Google Funding, specifically for any Engineer Support work related to GCP.

What this means for our Clients:

- Access to Google-backed funding to support your cloud engineering initiatives
- Priority support from certified experts across various GCP services
- Improved delivery capabilities and faster time-to-value for your projects
- Recognition that you're working with a trusted, Google-verified partner

We'd love to explore how we can leverage this specialization to add more value to your current or upcoming cloud initiatives. Please let me know a convenient time for a quick call or feel free to reply here — we're excited to help you get started.

Looking forward to continuing our collaboration with even more momentum!

OUR GLOBAL COLLABORATION

Expanding Our Global Collaboration to Strengthen Google Cloud Project Delivery in India

At Cloud Ace, we take pride in being one of the leading Google Cloud Partners globally, with a strong footprint across multiple markets. As a Japanese cloud technology company, our commitment to delivering high-quality cloud solutions has always been at the heart of everything we do.

In India, the demand for Google Cloud SI&C (System Integration & Consulting) projects continues to grow rapidly. To ensure we meet and exceed client expectations while maintaining the highest standards of delivery, we are now actively collaborating with our global divisions—including teams from Japan, Vietnam, Hong Kong, and Indonesia.

This strategic collaboration allows us to leverage engineering talent and technical expertise across borders, enhancing our delivery capabilities and ensuring timely execution of projects in India. By aligning with our overseas teams, we aim to bring the best of global knowledge and experience to our local engagements.

This is a significant step forward in our mission to provide reliable, scalable, and future-ready Google Cloud solutions to enterprises in India.

Together, across borders, we continue to build smarter with the cloud.

NEW CLIENTS

Tradyl

Tradyl is a B2B e-commerce platform focused on fashion and lifestyle sourcing, specifically connecting international retailers with Indian manufacturers. It offers a discovery-to-delivery service, allowing retailers to source, customize, and manufacture products directly from Indian SME manufacturers. Tradyl also manages the entire manufacturing process, including quality control and shipping.

What we did:

For the third consecutive year, Tradyl has renewed their GWS licenses with us, reflecting their continued trust and satisfaction with our services.

SSR Steels Corporation

SSR Steels Corporation is a Delhi-based steel trading company established in 2018. It supplies a wide range of steel products including DSQ plates, boiler-quality plates, MS pipes, structural beams, and bars, catering to industries such as construction, infrastructure, and engineering across India.

What we did:

SSR Steels Corporation has renewed their GWS licenses with us for the third year in a row, showcasing their ongoing trust and satisfaction with our services.

MTree

MTree Software Private Limited is a Noida based product engineering firm offering end-to-end software development services. They specialize in building complex products in domains like networking & communications, computer vision, IoT, enterprise systems, and e-commerce. Their capabilities include ideation, prototyping, QA, feature enhancements, and platform interoperability

What we did:

They faced a quota-related issue with their direct GCP billing, which we successfully resolved. Additionally, we assisted them in optimizing their cloud costs for better efficiency.

EVENT

Cloud Ace x Google Cloud SMB Joint Event: A Grand Success!

In July 2025, Cloud Ace India had the privilege of co-hosting a landmark event in collaboration with the Google Cloud India SMB Team at the Google Office in

Gurgaon. The event focused on the transformative potential of Google Cloud Platform (GCP) and the latest innovations in Generative AI, attracting enthusiastic participation from across the industry.

Originally planned for 50 attendees, the overwhelming interest led to 167 registrations, and we were thrilled to welcome 80+ clients who joined us in person. The turnout far exceeded our expectations and highlighted the growing interest in cloud technologies and AI-driven solutions in the Indian market.

The event featured insightful sessions, live demos, and interactive discussions on how GCP and Gen AI can drive digital transformation, improve operational efficiency, and foster innovation for businesses of all sizes.

A special thanks to our Sales and Marketing team at Cloud Ace India, who worked tirelessly to make this event a reality. We are also grateful to the Google Cloud India marketing team for their incredible support and collaboration throughout the planning and execution phases.

We're excited to share some snapshots from the day — head to the Photo Gallery section to relive the highlights!

Together with Google Cloud, Cloud Ace continues its commitment to enabling businesses across India to build smarter, scale faster, and innovate boldly.

Stay tuned for more such initiatives in the coming months!
